Explanations of the price calculation:

Stand width is determined by the number of (standard) tables (width 1.75 m x depth 0.75 m), the standard depth of the stand including the depth of the table exactly 2 m, (ie depth of the pure area behind the table 1.25 m) The minimum stand width is 2 tables (= 3.5 m)

*

Minimum stand size 3.5 m x 2 m = 7 m²

An extension of the stand is done in tables + area: per table then by 3.5 m² total area (1.75 m x 2 m).

*

Advertising fee: 29, - Euro / stand

Service costs: 7, - Euro / m² (includes heating, general electricity, cleaning, waste disposal, construction and dismantling, provision of: tables, chairs, exhibition walls)

*

Example calculation for a stand of 2 tables (3.5 m width): 3.5 m x 2 m = 7 m² area

7 m² x 30, - Euro (floor space) + 7 m² x 7, - Euro (service costs) + 29, - Euro advertising fee = 288, - Euro

*

Small stand for craftsmen 1 table (at least 80% own production): 176, - fixed price incl. Service and advertising fee

Special arrangements regarding the stand area are possible in exceptional cases, if it is of particular use for the PaderBow. The amounts do not include VAT.
